Dasha OLEKSIENKO

OBJECTIVE

Seeking a position as a Graphic Designer where I can apply my skills in creating modern and effective visual content. I have experience in brand identity design, UX/UI design, image editing, and print-ready file preparation. I focus on combining aesthetics with functionality, taking into account both brand needs and user experience.

WORK EXPERIENCE

JSC "UKRPOSHTA" (EDUCATIONAL AND INDUSTRIAL INTERNSHIP)

- Software and data management: administration and processing of information in Softline systems (APM B3, UIS THIN APP, USC).
- Document workflow: use of a data collection terminal (DCT), preparation of accompanying documentation, and monitoring of logistics processes.
- Packaging design: creation of packaging layouts using graphic design software.
- Communication: client consultation and prompt resolution of customer inquiries.
- Financial reporting: handling cash operations, processing customer payments, and maintaining financial records.

VASYLKIV VOCATIONAL COLLEGE, KYIV REGIONAL COUNCIL (KZ P(PT)O KOR)

- End-to-end website development and implementation: creating site architecture, UX/UI design, and full technical execution of projects.
- Grant application preparation and formatting: developing project documentation, preparing budget justifications, and visualizing ideas for effective presentation.

EDUCATION

VASYLKIV ACADEMIC LYCEUM "USPIKH"
2015 – 2024

VASYLKIV VOCATIONAL COLLEGE (KYIV REGIONAL COUNCIL)
2024 – 2027 (CURRENTLY 2ND-YEAR STUDENT)
SPECIALIZATION: INFORMATION PROCESSING AND SOFTWARE OPERATOR

ABOUT ME

I am a 2nd-year student at Vasylkiv Vocational College, focused on developing skills in web development and digital design. I work on creating websites and visual materials, combining technical abilities with a creative approach. I have practical experience in completing both academic and personal projects. I quickly adapt to new tasks, pay attention to detail, and continuously improve my knowledge in the IT field.
